

STEPHEN ONCHEKU

SOFTWARE ENGINEER JUNIOR FULL-STACK DEVELOPER

Contacts

Mobile no +254799137198

Gmail stephenonchieku1@gmail.com

Nairobi, Kenya

OBJECTIVE

To secure a position as a Junior Developer, leveraging my knowledge in software engineering and full stack web development to help create innovative digital products.

EDUCATION

Multimedia University of Kenya | Bachelor of Software Engineering | In Progress

Moringa School Bootcamp | Full Stack Web Development | Completed

SKILLS

Front-End: HTML, CSS, JavaScript, React.js

Back-End: Ruby, Sinatra, Ruby on Rails

Databases: PostgreSQL, MySQL, SQLite3

EXPERIENCE

Moringa School Bootcamp | Intern | 2022

- Developed a web application for a client using JavaScript, React.js and Ruby on Rails.
- Assisted in debugging and troubleshooting software components.
- Optimized the application's performance to improve user experience.
- Collaborated with clients to identify their needs and develop a customized application.

ACHIEVEMENTS

- Gained certification in Full Stack Web Development from Moringa School Bootcamp.
- Developed a web application as part of my internship that was successfully launched.

STRENGTHS

I believe that my enthusiasm and passion for web development, combined with my technical skills, will serve me well in this role. I am able to quickly pick up new technologies and have an aptitude for problem solving. Additionally, I am a great collaborator, able to effectively work with a team. I am also very resourceful and can use my research skills to find solutions to any problem I may face. Lastly, my eye for detail and commitment to quality assurance will ensure that any product I work on is of the highest standard.
